

Angle grinder explosion view GX-AG010B

This exploded view diagram illustrates the assembly of the angle grinder GX-AG010B. The components are numbered 1 through 53. The diagram shows the following parts and their assembly sequence from the handle to the grinding disc:

- Handle and Trigger Switch:** Includes the main handle (1), trigger switch (2), and various internal components like the trigger switch button (3), trigger switch spring (4), trigger switch contact (5), trigger switch contact spring (6), trigger switch contact pin (7), trigger switch contact sleeve (8), trigger switch contact sleeve pin (9), trigger switch contact sleeve spring (10), trigger switch contact sleeve pin (11), trigger switch contact sleeve spring (12), trigger switch contact sleeve pin (13), trigger switch contact sleeve spring (14), trigger switch contact sleeve pin (15), trigger switch contact sleeve spring (16), trigger switch contact sleeve pin (17), trigger switch contact sleeve spring (18), trigger switch contact sleeve pin (19), trigger switch contact sleeve spring (20), trigger switch contact sleeve pin (21), trigger switch contact sleeve spring (22), trigger switch contact sleeve pin (23), trigger switch contact sleeve spring (24), trigger switch contact sleeve pin (25), trigger switch contact sleeve spring (26), trigger switch contact sleeve pin (27), trigger switch contact sleeve spring (28), trigger switch contact sleeve pin (29), trigger switch contact sleeve spring (30), trigger switch contact sleeve pin (31), trigger switch contact sleeve spring (32), trigger switch contact sleeve pin (33), trigger switch contact sleeve spring (34), trigger switch contact sleeve pin (35), trigger switch contact sleeve spring (36), trigger switch contact sleeve pin (37), trigger switch contact sleeve spring (38), trigger switch contact sleeve pin (39).
- Motor and Gear Assembly:** Includes the motor (34), gear (35), gear pin (36), gear spring (37), gear pin (38), gear spring (39).
- Grinding Disc and Guard:** Includes the grinding disc (40), guard (41), guard pin (42), guard spring (43), guard pin (44), guard spring (45), guard pin (46), guard spring (47), guard pin (48), guard spring (49), guard pin (50), guard spring (51).
- Accessories:** Includes the grinding disc (52), guard (53).
